

Project Demo Planning

Date	29 September 2026
Team ID	SWTID-2026-6485
Project Name	PocketSmart AI
Maximum Marks	1 Mark
Team Size	5 Members

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Introduction	Project title, problem and target users	1	Team Leader - Abinesh S
2	Solution Overview	Architecture and workflow	1	Team Member - Prakash N
3	Live Feature Demonstration	Login, expense, budget, goals, analytics and AI	5	Team Member - Sachin S
4	AI / OCR Demonstration	Show recommendation and receipt workflow if API is configured	2	Team Member - Gokul Krishnan G
5	Export & Theme	CSV export and dark/light mode	1	Team Member - Jagadeesh V
6	Q&A	Answer technical and solution questions	2	All 5 Members

Demo Flow Summary

Step	Activity	Notes
1	Introduction & Problem Statement	Explain user pain point and objectives
2	Solution Overview	Show architecture and key modules
3	Live Feature Demonstration	Use a prepared demo account/data
4	Q&A Session	Discuss design choices, limitations and future scope
